

# 88 GALLERY

LONDON

**Eva Menz**

Aurum and Oxidium Comets

For Atelier001

In polished and patinated brass

UK, 2022

Sold individually, other finishes available

Each: diametre: 30 cm Drop: adjustable

Inspired by planet-like shapes and textures, the Cosmic collection plays with both metal properties and a selection of patina finishes. These sculptural pieces sit elegantly in both contemporary and vintage-inspired interiors. Each piece is individually handmade, therefore unique in its own way.
